

Track all your runs, rides and workouts

Strava App

Activity Tracker: 3 Ways to Train Smarter

1. **Record routes, track running & analyze:** Track distance, swim pace, cycle speed, elevation gained & calories burned
2. **Map your route:** Mix up your walk, run, swim or ride with the world's largest trail network
3. **Training challenges:** Push yourself with monthly Challenges & compete with others

Distance Tracker & Mile Counter

- Track running, cycling and swimming: Compare your performance over time
- Track distance, pace, speed, elevation gained and calories burned on every run
- Mile counter: Use your mobile device or pretty much every GPS device out there

Connect & Share

- Record routes on your Strava feed so friends & followers can comment & share their own progress
- Your route is the ebst? Share your route map & photos of your latest activity
